BEST SCENT-SATION

KENDRA SCOTT CANDLE

What do you do once you conquer the jewelry, nail polish, and philanthropy worlds? If you're Kendra Scott, you add candles to your repertoire. BEST BEAUTY GADGET

"YOU CAM" AT ELEVE COSMETICS

Sure, we love Elevé's new brick-and-mortar for its vegan-based makeup and

champagne bar. But the real draw is its high-tech "You Cam," which allows you to test makeup shades and brow looks without ever opening a tube or compact. elevocosmetics.com

BEST BUZZ
