

PRECARE – AFTERCARE

The entire appointment will take 1hr up to 1hr15min. Your eyes will be closed the entire time.

1. Lash lifts are a semi-permanent treatment that creates a lift, instant results and longer looking lashes.
2. Every lash lift includes a conditioning treatment made of keratin and biotin that strengthens the lashes.
3. The solution used is formaldehyde free.
4. Lash lifts can be booked every six to eight weeks.
5. Any use of lash serums must be stopped 7 days prior to the service and 7 days after. Lash serums open up the follicle, which can cause irritation during the service.
6. Extensions must be removed 2 weeks before the treatment. We recommend waiting a few days before getting extensions again.
7. Contacts need to be taken off prior to your appointment.
8. Makeup must be removed prior to the appointment.
9. **24Hr Downtime Period**
 - Avoid steam, water, oils, creams and face wash**
 - No eye makeup**
 - Avoid sleeping on your face or touching your lashes**
